Introduction

Every year the Daughters of Jonathan Dayton Chapter of the National Society Daughters of the American Revolution (NSDAR) decorate the graves of Revolutionary War Patriots buried at Woodland Cemetery. Only a couple Daughters know where to find all of our Patriots and even then, we have to jog our memory every year. Sherry JOHNSON (NSDAR# 545722) has kept the best record of where these Patriots are. However in 2013, we created this book so that future Daughters would be able to go on their own and find our Revolutionary War Patriots.

Other Montgomery County, Ohio Revolutionary War Soldiers

The Jonathan Dayton Chapter NSDAR made an effort to determine every Revolutionary War Soldier in Montgomery County during Kathleen LAURI-LEWIS' (NSDAR# 830798) term as Regent. In completing this project, we discovered that there were a number of Revolutionary War Patriots that no longer had a grave marker of any kind. During Betsie GOAD'S (NSDAR# 797413) term as Regent, the plaque with 30 Revolutionary War Soldiers' names listed was dedicated on 18 May 2013.
